KIMONO DOLL PATTERN

by www.lospace.com

TOP CONSTRUCTION:

1. Sew together front and back on the top part of the kimono, leaving the middle part until last (bias tape)
2. Sew together the lower part of the arm and the sides, make sure you put in the ribbon while you sew
3. Fold the sides and sew, making sure you sew in the ribbon as well
4. Fold the arm twice and sew
5. Fold one end of the bias tape, sandwich the top part of the kimono and sew the bias tape all the way around, including the back and closing at the other side of the front top. Tuck in the bias tape at the end so that it won't show.
6. Fold the bottom twice and sew

PANTS CONSTRUCTION:

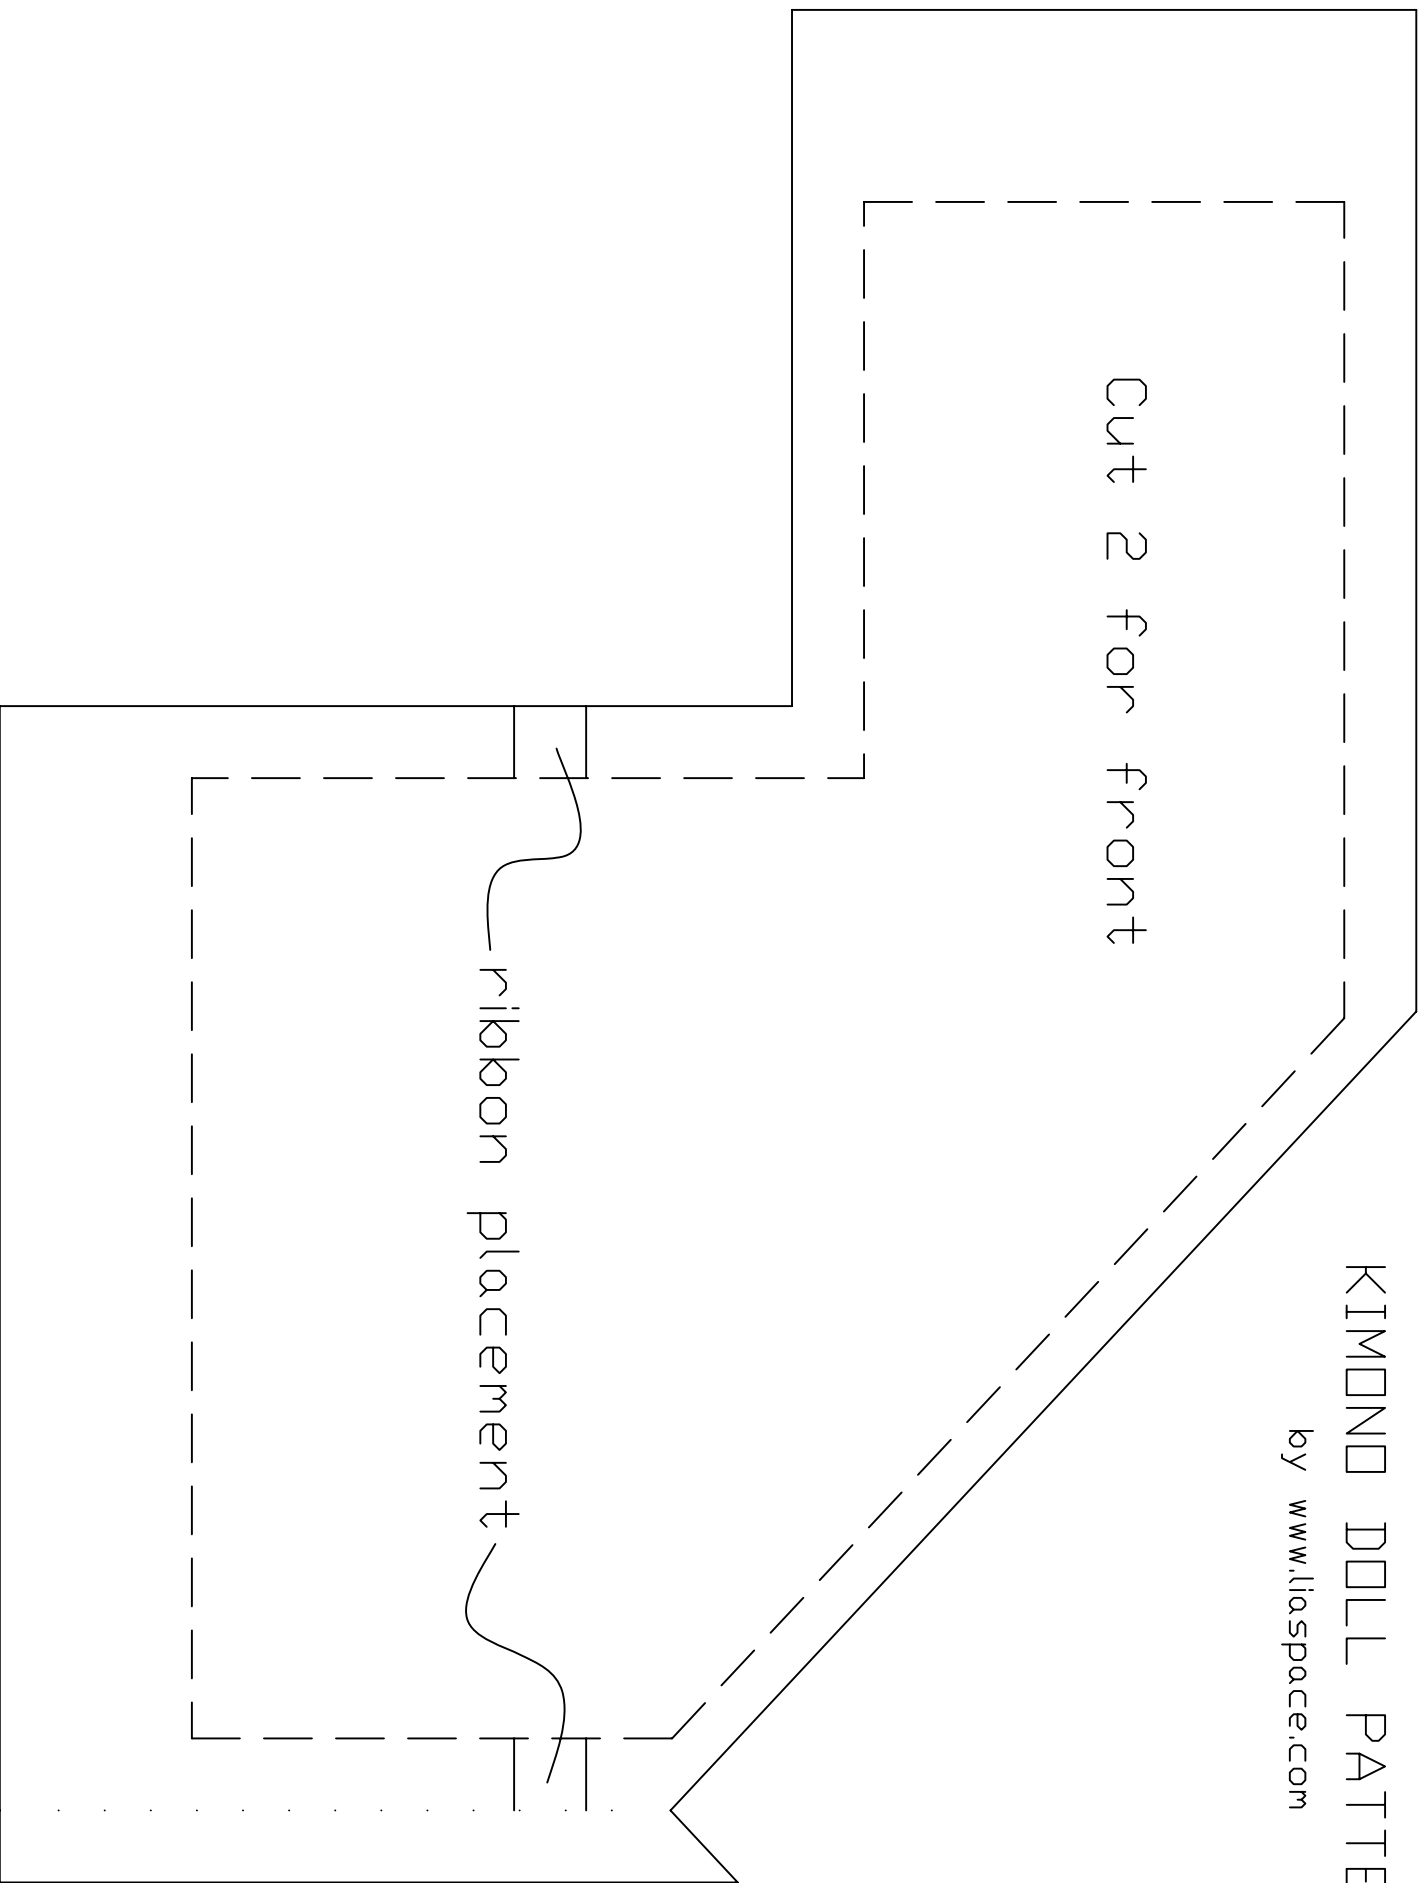

1. Sew the sides together
2. Sew the insides together
3. Fold the bottom twice and stitch
4. Fold the top twice and sew, leaving a little gap to insert elastic and sew close once you've put in the elastic
