Pattern printing and assembly tips:

1. Download pattern to your pc.
2. Open with Adobe Acrobat Reader.
3. Turn off all formatting and print.
4. Cut out each page block around the outer grey edge and align the grey blocks edge to edge (don't overlap.)
5. Tape pattern together and cut out pattern pieces.

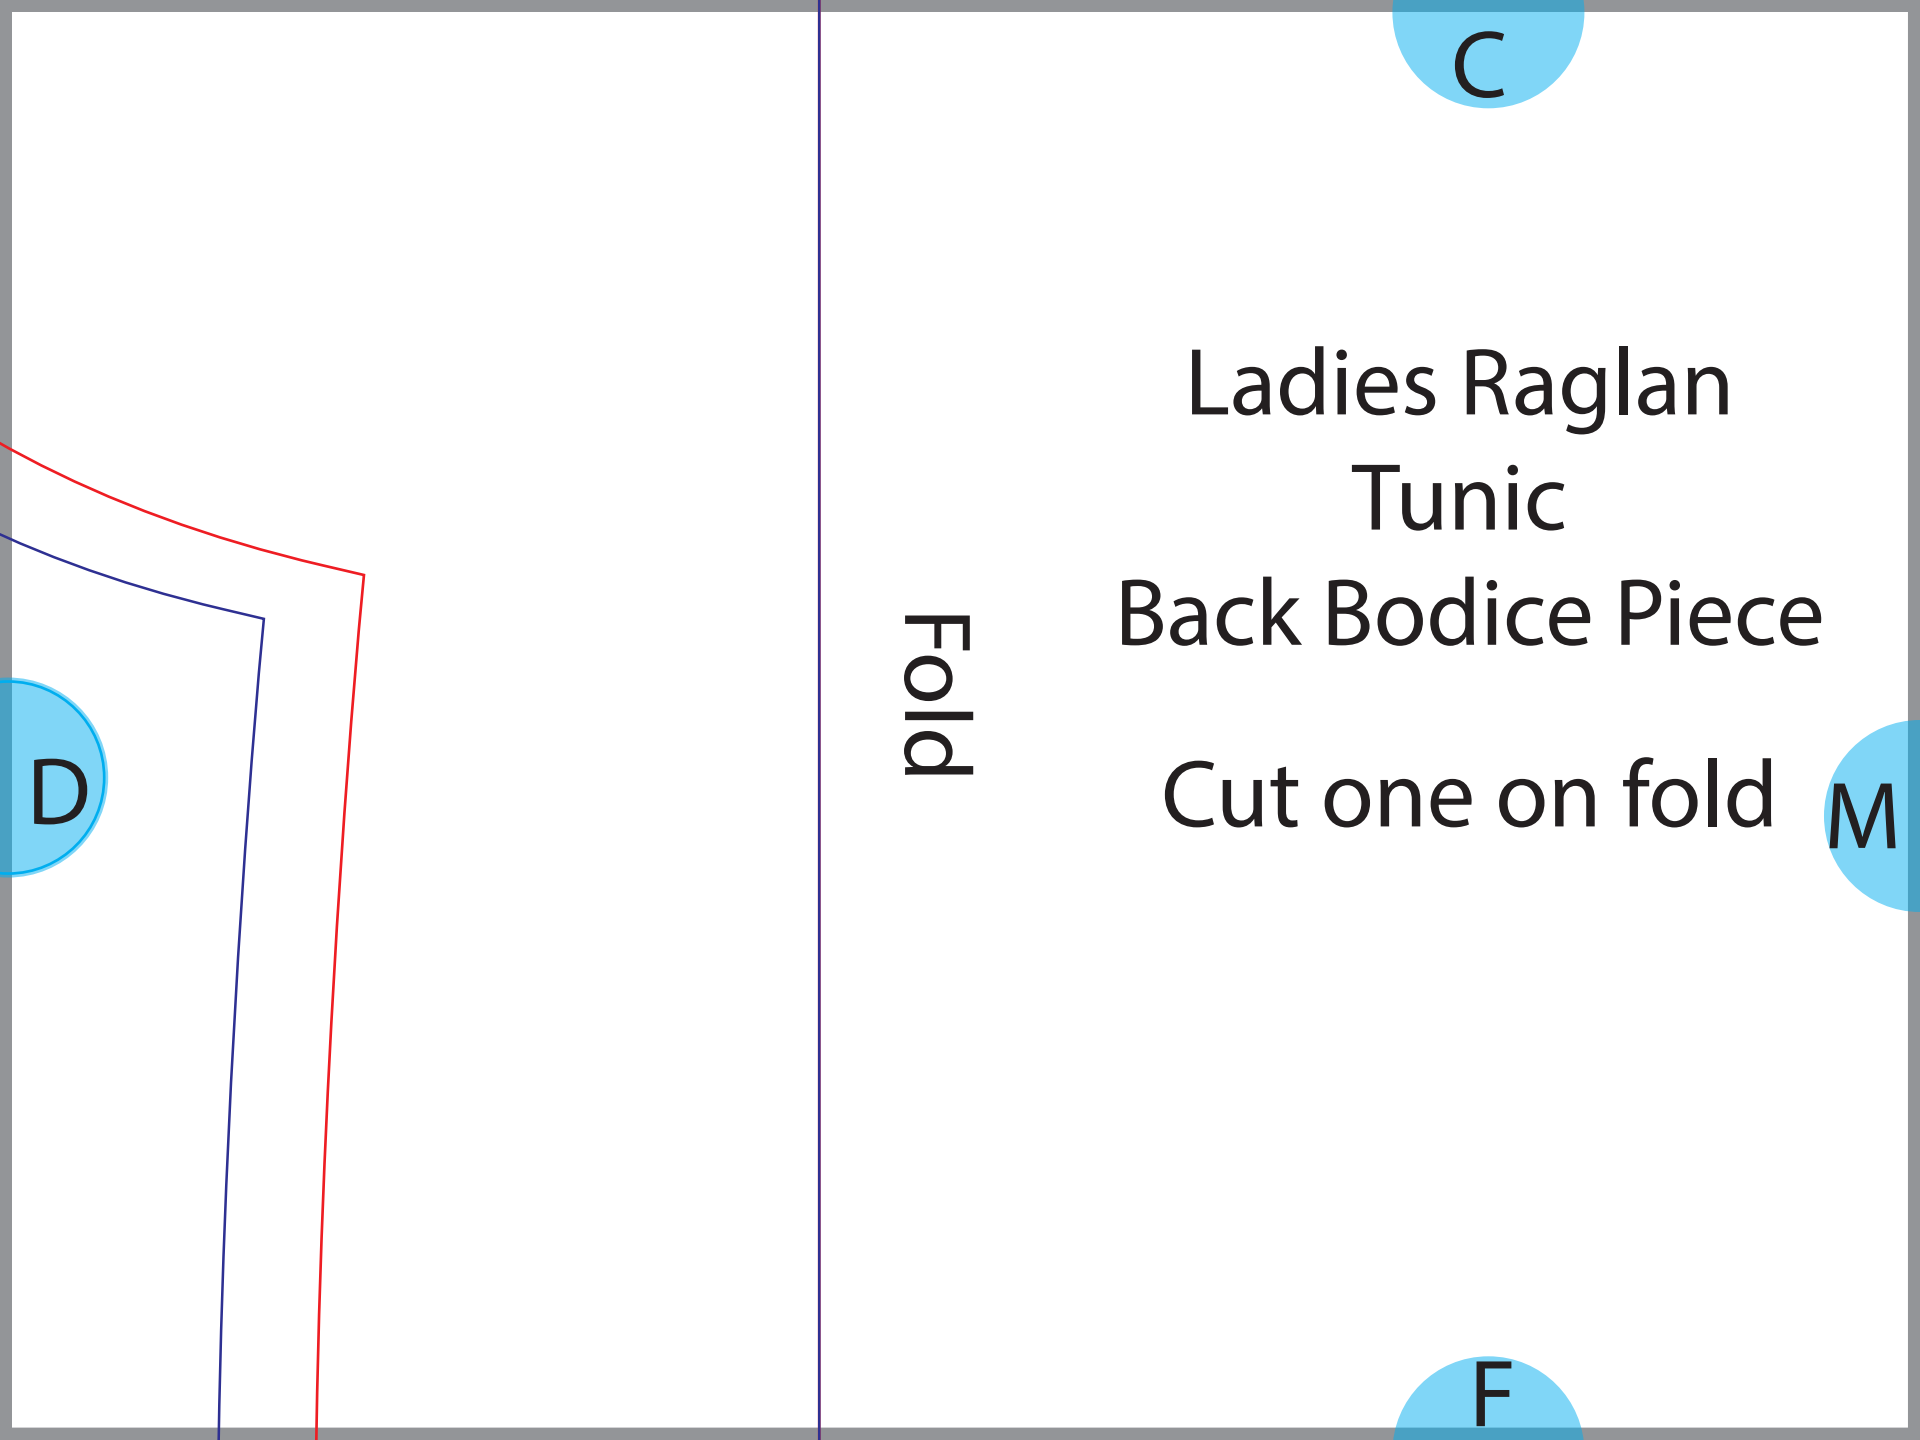

Pattern instructions and tutorial can be found at: <http://bit.ly/1IU1ISM>
